TWENTY TEAMS

The U.S. Department of Energy Solar Decathlon challenges 20 collegiate teams to design and build energy-efficient houses powered exclusively by the sun. These teams will spend almost two years creating houses to compete in 10 contests on the National Mall in fall 2011.

- **Appalachian State University**
- **Florida International University**
- **Middlebury College**
- **New Zealand**
(Victoria University of Wellington)
- **The Ohio State University**
- **Parsons The New School for Design and Stevens Institute of Technology**
- **Purdue University**
- **The Southern California Institute of Architecture and California Institute of Technology**
- **Team Belgium**
(Ghent University)
- **Team Canada**
(University of Calgary)
- **Team China**
(Tongji University)
- **Team Florida**
(The University of South Florida, Florida State University, the University of Central Florida, and the University of Florida)
- **Team Massachusetts**
(Massachusetts College of Art and Design and University of Massachusetts at Lowell)
- **Team New Jersey**
(Rutgers — The State University of New Jersey and New Jersey Institute of Technology)
- **Team New York**
(The City College of New York)
- **Tidewater Virginia**
(Old Dominion University and Hampton University)
- **University of Hawaii**
- **University of Illinois at Urbana-Champaign**
- **University of Maryland**
- **The University of Tennessee**

When the competition begins, these students bring all they have to the Solar Decathlon. Ingenuity. Perseverance. Leadership. They build a temporary solar village on the National Mall and create experiences to last a lifetime. These decathletes are tomorrow's bright future.

SOLAR DECATHLON 2011 IS THEIR *Time To Shine.*
